PREFACE

In this annual report, I would like to present a brief summary of our achievements on the academic, co-curricular and the extra-curricular front in the year 2018-2019.

This college has achieved a flag bearer tag in all aspects of academic excellence in kvayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. College has thrived basically on qualitative growth rather than quantitative expansion. This also been certified by NAAC by awarding a college with 'A' Grade consecutively three times. We are bound to social responsibilities along with our success path. We provide the higher education from UG, PG up to Ph.D. level in all faculties. We have well equipped recognized research laboratories, e- Library, etc.

Seminars, Workshops and Invited lectures are a routine feature of our intellectual climate. Apart from these various programs were organized by different academic committees. Noteworthy among them are Competitive exam cell, Civil services examination guidance sessions, virtual classrooms, Placement cell, Personality and communication skill development cell, certificate courses, dramatics etc. Theoretical knowledge is fostered by hands-on experience in the form of field/educational trips organized for the students and faculty. At our college co-curricular and extra-curricular activities are encouraged with a view towards holistic development of our students.

In the domain of co-curricular activities, NCC and NSS enable wider social outreach as an integral part of education. The NSS wing of college unit conducted a "Swachhta Awareness Campaign" in the College campus, Smashan Bhumi region of Bhusawal city & rural area around city. It also conducted a 'Sanitation and Hygiene Awareness Drive' in the college premises. The NSS volunteers also celebrated "Swachhata Hi Sewa" for a fortnight as part of the "Swachha Bharat Abhiyaan" on the occasion of Independence Day. Like our NSS unit, NCC cadets also reflect equally active and enthusiastic activities throughout the year. Both NSS and NCC units has organized 'Addiction eradication promotion', 'Anti-superstition campaign', 'blood donation camp', 'tree plantation' and 'awareness of environmental conservation', 'Beti Bachao Beti Padhao', 'Khedyakade Chala Abhiyan', 'Gaon Dattak Yojana', etc.

In University level cultural activity i.e. 'Youth Festival', our students showcased their talent and owned prizes at District and University level.

On academic front, students have proved the metal of high academic excellence of our college at university level. Our ten students at post graduate level and five students at under graduate level stood as university rankers. Sports is yet another field of excellence of our campus. In sports our boys students and girls students both actively participated in different games at university level and state level. The range of games played is simply fantastic. Athletics, Gymnastics, Ball Badminton, Cricket, Football, Table Tennis, Body building, Volleyball, Chess, Boxing and Best Physique, Kabbadi ...we have it all!

It is a matter of pride for the institution to acknowledge the higher academic pursuits and accomplishments of its faculty members. Our faculty members always try to accomplish higher academic brilliance. During this academic year, total two staff members has been awarded PhD in respective area of research, one staff member has been qualified the NET. A large number of faculty members have attended, as well as presented papers at international and national forums, the details of which are included in the relevant sections of the Annual Report.

Many others have contributed 'Chapters' to books, and published articles in peer-reviewed international, national and e-journals of repute. Some faculty members successfully completed UGC sponsored FDP's. (Orientation Programme, Refresher Courses and Short Term Courses). As well as some distinguished faculty members are also working on various academic and administrative bodies of University (like: Board of Studies and Academic Council).

To respect the patience of the readers I prevent myself from mentioning the numerous other achievements of the College. They, however, find a place in the detailed College Report. On this note, I would like to conclude by extending my gratitude towards respected members of Tapti Education Society, Bhusawal, Hon. Dr. Mohanbhau Phalak (President), Shri.Maheshbhau Phalak (Chairman), Shri. Vishnubhau Chaudhari (Secretary), Shri. Sanjaykumar Nahata (Treasurer) and all respectable members of management committee, who have believed in our vision of progress and perfection. At last but not least I would like to thank all teaching, non-teaching staff and my dear students for being part of this esteemed institute.

Thank You!

Principal,
Prof. Dr. Minakshi V. Waykole

1. INTRODUCTION TO SOCIETY AND COLLEGE

The Tapti Education Society was established long back in 1958 with the philanthropist view to provide higher education to the students from rural area. The society comprises mostly farmers and businessmen. Currently it is led by Hon.Mr. Mohanbhau Phalak as the President; Hon.Mr. Maheshbhau Phalak as the Chairman; Hon.Mr. Vishnubhau Chaudhari as the Secretary; Hon.Mr. Sanjayji Nahata as the treasurer along with respected members from the city.

The Society established the college in 1963 with two faculties namely Arts and Commerce. In 1972 the Science faculty was started. The college has its own land of nearly 7 acres near Asian Highway and Jamner Road crossing. Since its inception the college is catering to the educational needs of students from rural area. The Tapti Education Society's Bhusawal Arts, Science and P. O. Nahata Commerce College was accredited as **four stars** in 2001 and reaccredited as **'A' Grade** with CGPA 3.28 in 2008 as the **first College** in North Maharashtra University jurisdiction. It is also the first college to volunteer for the third cycle of accreditation in the jurisdiction of the university. **It is a thing of pride for us that this year the college is accredited at A grade with 3.30 CGPA in third cycle. We are proud to say that we are first in the University Jurisdiction to achieve this honour.** It is also recognized by UGC as **College with Potential for Excellence**. Our institute is one of the renowned institutes in the adjoining area. We welcomed the upcoming students from rural areas who made remarkable progress and set their and college's image in society. Many of the students of this institute secure top position in various fields. This make us feel great.

Initially the college was affiliated to the Pune University, and got permanent affiliation in 1990. Since the inception of North Maharashtra University in 1991, the college is permanently affiliated to the same. The university spreads all over three districts: Jalgaon; Dhule; and Nandurbar, being on the boundaries of Gujrat and Maharashtra, and one being the district of tribal people. The university is trying hard to uplift the downtrodden, while keeping in touch with the rapidly changing world.

Last but not least, the college has the advantages of developing youth coming from rural area, and forming them into sensible youth as they are mixed in the cosmopolitan society. The college is aware that every coin has two sides: hence students coming from rural areas have inferiority complex, their vernacular background being most disadvantage for them. The college has faced challenges to improve their communication skills, to boost their confidence to bring them into modern current while making them aware of great Indian culture. As recently, the college has celebrated its golden jubilee, it will be a golden, in fact a platinum moment for us when the students coming from different backgrounds will be essentially Indian serving for the welfare of humanity. With this view the college is making progress towards quality excellence so that it will be a lead college that will stand as a lighthouse for the confused.
