About Workshop

In the present scenario use of software for online teaching is of paramount importance. With this in mind the IQAC and Department of Computer Science of BASPONC College (Bhusawal Arts Science and P O Nahata Commerce College Bhusawal) has organized a Two day Online National Level Workshop On “LMS E-Content Development” Workshop on the 16th & 17th May 2020 from 11.00 am to 1.00 pm.

The workshop will include hands on training on

- Power Point for Presentations & Content Creation – 16th May 2020
- Google Classroom (including Google Forms) – 17th May 2020

No prior knowledge of the above software's is assumed.

The aim of the workshop is to equip you with these tools to an extent that you can incorporate them seamlessly into your teaching strategy (differential teaching, flipped classroom, Think-Pair-Share etc.) and use these tools as an effective student engagement platform. Most of these tools are free and just require you to have a Google Account, Microsoft Account. Content Creation has been introduced in the recent past for CAS purposes and the knowledge that you gain will be sufficient for creation of content that could be uploaded on video sharing platforms like YouTube etc. for the benefit of your students.

Interested participants can register themselves using the above registration forms link. The platform (ZOOM) on which the online workshop will be conducted will be conveyed to the participants on the Telegram Group. Participants are expected to join the Telegram Group for any queries.

All registered participants will get participation e-certificate only if they attend the workshop for all two days. There is no registration fee for the workshop. Kindly note that the e-certificates will be distributed after the registered participants have filled the online feedback form for the workshop.

REQUISITES:

1. A laptop/ desktop with decent internet bandwidth, Microsoft Office and camera for video conferencing.
2. A valid Google Account.
